

**UPS Custom Discounts** 

TechNote #206. Rev. 02.28.2014

You may have custom negotiated discounts from UPS in lieu of a traditional Tier level. Here is how to apply your custom negotiated UPS discounts in PostalMate:

- 1. Choose **Tools > PostalMate Settings.**
- 2. Select **UPS Setup** from the left pane.
- 3. Select the button for "Select level and set wholesale rates".
- 4. From the drop-down list, select "Custom."
- 5. For **each** service type, enter the discount percentage given to you by UPS.
